

Dirt Request Information

Worth Township cleans and grades road ditches throughout the Township. Residents can make a request for the excess ditch dirt by completing the dirt request form and return it to Worth Township located at 815 West Park Road Slippery Rock, PA 16057. Dirt will be delivered to those who live within the area the ditches are being worked on. **There is not a guarantee that dirt will be delivered.**

- Complete the required dirt request form to release the Township to dump the dirt onto private property and return it to the Township office.
- The dumping area must be clearly marked.
- Dirt will not be moved once it has been dumped on your property.
- The property owner will not hold the Township responsible for damage or injury resulting from hauling dirt onto the property. This includes driveways, sidewalks, shrubbery, septic systems, etc.

I, _____ hereby grant permission to Worth Township, Butler County to enter and place excess ditch dirt on my property with the understanding that after it is placed, it will not be moved or picked up by the Township. I will not hold Worth Township, Butler County responsible in any manner for damage or injury resulting from the hauling of ditch dirt on my property. This includes driveways, yards, sidewalks, shrubbery, septic systems, etc.
