Bring in your clean and gently used costumes (children and adults) so we can host a costume swap! You are welcome to bring in costumes to donate but do not have to bring one to take one.

We will have a rack of costumes available whenever we are open!

Help us understand what our community values most, what improvements are needed, and what you would like to see from us here at the Slippery Rock Community Library in the future.

Fill out the physical survey at the library or follow the QR Code to our online survey!

Thank you for helping us plan for the future!
