New Business: Butler County Cooperation Agreement. DCED changed Butler County's status to an Urban County. As an Urban County, the county would then receive funding through the Community Block Grant program directly from the Federal HUD program. On August 24th, the county announced the status change through a Zoom call with all municipalities. Municipalities had to sign a agreement with the county by September 8, 2026. The agreement arrived by email on Friday, August 28. The agreement needed to be voted on and signed as soon as possible. The solicitor provided no guidance, and there was not enough time to review the multi-page agreement. The Board of Supervisors opted out of the Butler County Urban County CDBG program.
